

## Drivers support Hudson Schools

The community of Hudson rallied at Bill Cowell Ford on September 14th to test drive cars for the annual fundraiser, Drive One 4 UR School. The athletic booster event drew 291 test drivers this year, resulting in \$5,820 for Hudson athletics. "It's a good fundraiser," said athletic director Kevin Wurzer. "Earning [this much] for only 8 hours of work helps our school out with expenses a lot."
