

FOCUS. "So far, my entire life has been moving from place to place all around the world. Because of this, everything to me has been in constant motion. Although I love this, I've always wanted to slow down and actually focus on what's around me instead of glancing at a blur as I pass by. Now that I've moved to Cedar Falls and am beginning to settle, I can do that. I can slow down and take a look around. I can focus," Beau Gam-Ad ('17) said. Photo by Vanessa Kime
