## Mostly A's

You are "I Don't Love You" by My Chemical Romance. You are angry, and you are uncertain, but you are not afraid to walk this world alone this Valentine's Day. You're doing great, love.

## Mostly B's

You are "Baby One More Time" by Britney Spears. You are confident and a catch and you know how to get what you want—including, perhaps, that special someone.

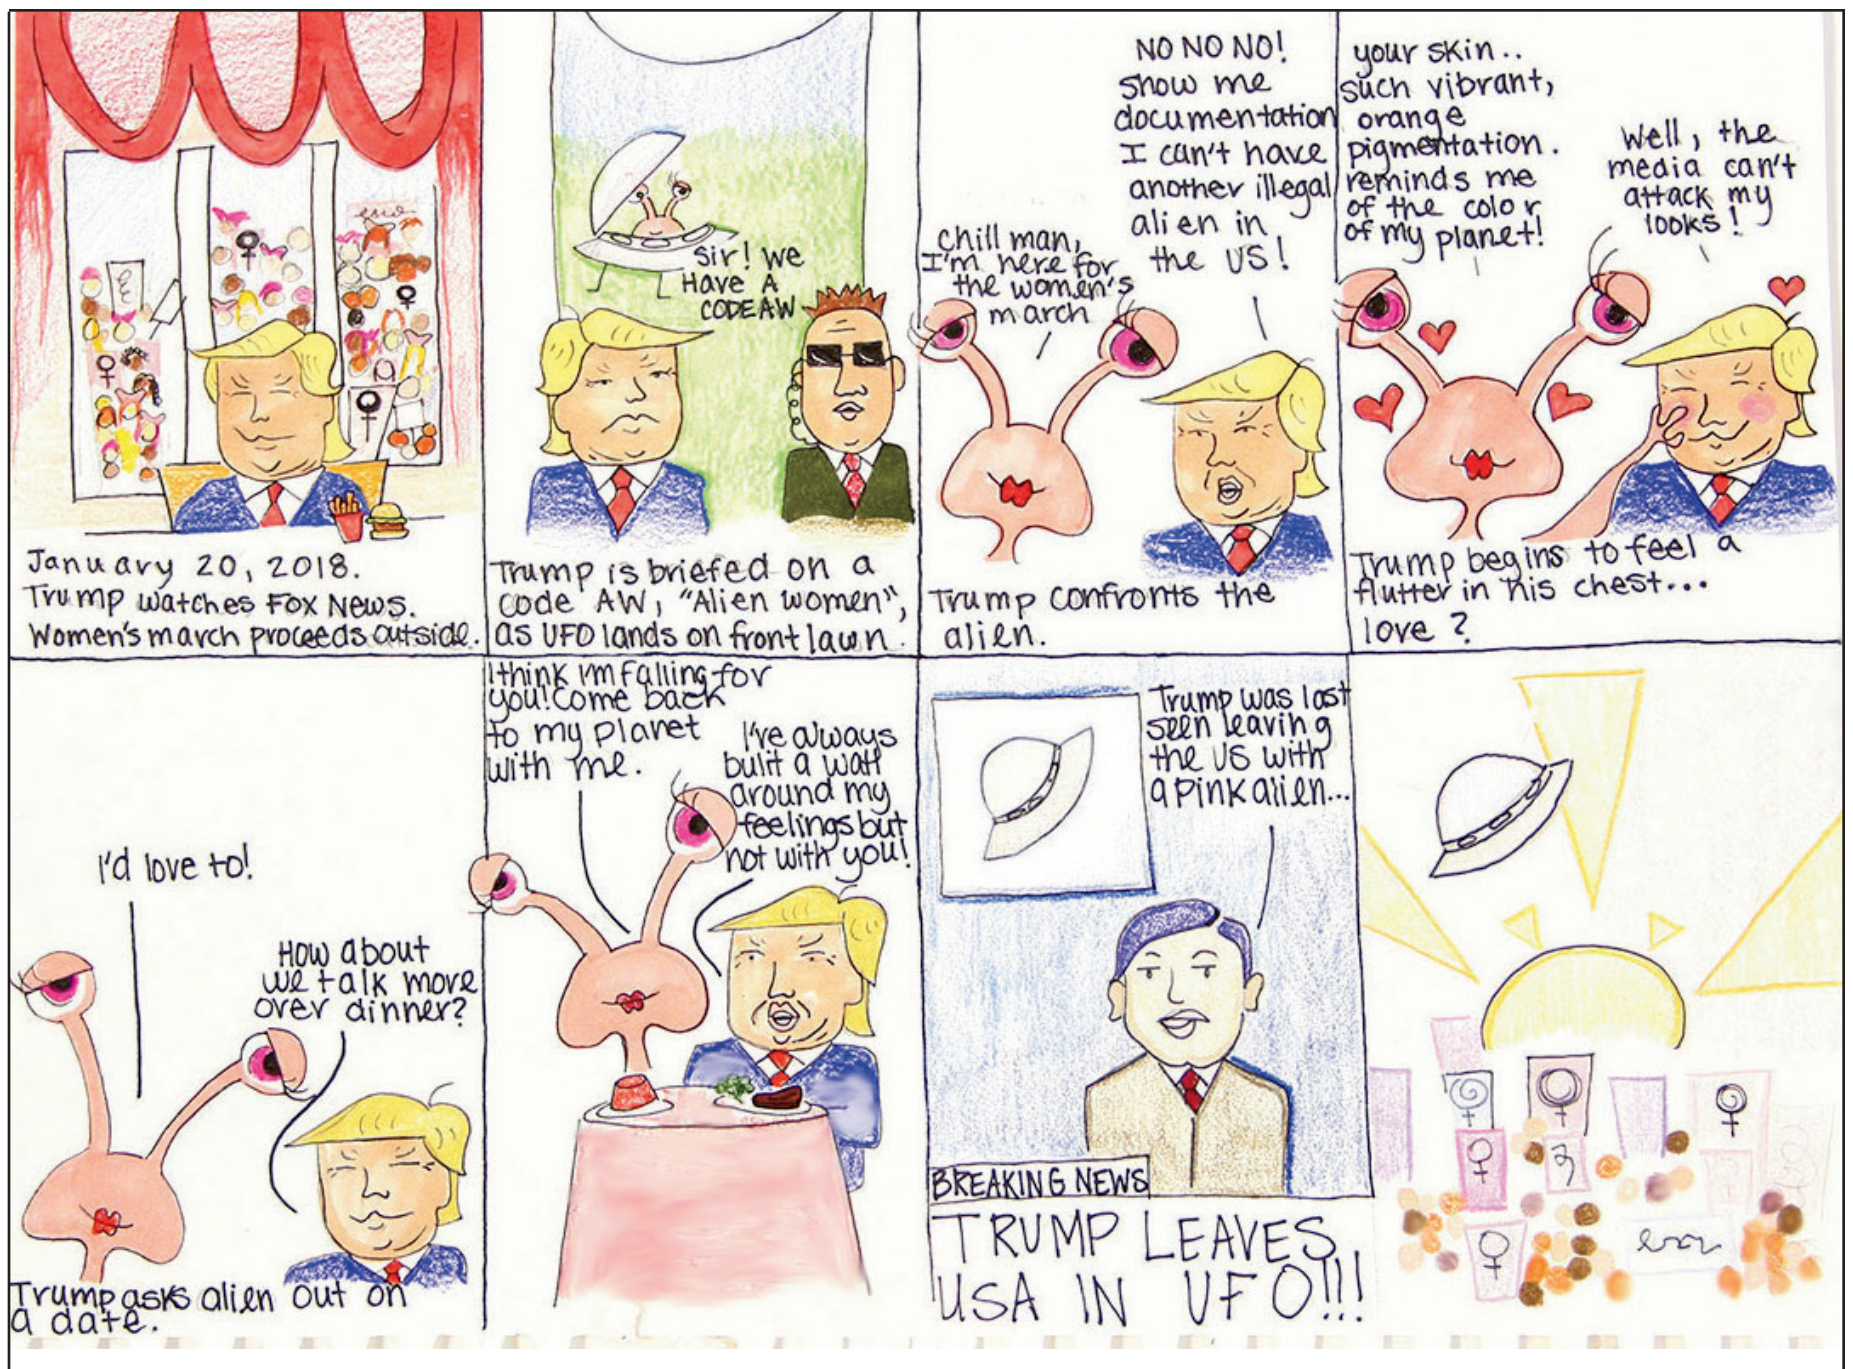

## Mostly C's

You are "SexyBack" by Justin Timberlake. You're mysterious and probably a little bit pretentious, but talented and lovable nonetheless. You'll have no shortage of sweethearts this V-Day.

## Mostly D's

You are "You Belong With Me" by Taylor Swift. While your dedication to the ones you love is admirable, you also love yourself no matter who you're with. SOs come and go, but you stay you.
