

# Fall Conference Badge Design Template

The Fall Conference Badge Contest is an opportunity for students to put their design skills to the test! Submit a design by February 16, 2026 at [www.IHSPA.org](http://www.IHSPA.org) for the chance to be the official press pass design for the 2026 Fall Conference.

We will evaluate designs for creativity and originality.

The design should work well with the size and dimensions of the badge (template above):

- 3.25 x 5.25 exterior dimension
- 2.75 x 4.75 space for significant interior elements (text, QR code, logo)
- 1.25 x 3.25 white space for participant name on front at bottom
- .6 x .25 space, .375 inches from top void of elements to accommodate hole punch

Incorporate the words "Press Pass" on the front.

Provide space on the back for a QR code and include the word "Program."

Include the IHSPA logo.

Use color combinations that follow ADA guidelines:
