With new fashion trends sprouting like dandelions, it can be tough to tell what's in and what's out. A walk through the halls uncovers individuals with a strong sense of personal style. Between graphic prints and denim, a lot of trendy threads fell in between: collared shirts with sweaters, fur, bold accessories and combat or riding boots. Pullover sweaters, plaid shirts, khakis, bow ties and Sperry's wouldn't draw any fashion police. Trends will come and go, but which ones will stick around longest? It's anyone's guess. —Claire McDonnell
