strange sandwiches

mod by Katrina Fey

senior austrin kerr

"I love french fries and sometimes I dip them into my milkshakes, but one day I decided to put it on my sandwich. Surprisingly, it was really good, so I put them on sandwiches and hamburgers all the time now."

senior abigail dockum

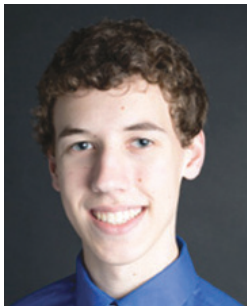

"Since I don't like hamburgers, sloppy joes, BLTs or basically any other type of sandwich, I have a plain cheese sandwich instead. For a while, there was a phase that I had a peanut butter-cheese sandwich for lunch everyday, too."

junior kameron demoss

"I've always been a really picky eater and don't really like meat, cheese or vegetables. I got sick of just eating a loaf of bread with chips on the side so I decided to combine them together."
