A DAY FOR THEM

An Honor

Lewis Central proudly hosted an annual Veterans Day assembly held on the morning of November 11th to honor and thank those who served in the Armed Forces.

"To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations." - Woodrow Wilson, 1919

Reality Check

"When I told my family that I wanted to go into the military, they were all very encouraging and excited. Thanks to my grandpa, cousin and uncle, who really influenced me in joining the military," Taylor Severson '14

"Hesitant was the reaction of my parents when I told them I was going into the military. After they thought about it, they were proud of me," Jake Ives '14
