Breaking

In academics we pushed through the work and gave our best in all that we did. We learned things that will last a lifetime. We broke away from the struggle.

,We were unique,
and we were our
true selves. We
didn't succumb to
judgment or let
others define us.
We *broke away*
from the mold.

Away

In sports we
trained, practiced,
and took over the
competition. We
conquered as a
team, and learned
from our mistakes.
We *broke away*
from the fear
within ourselves.
