

HEY YAI - Junior Harison Richter sings his heart out while sophomores Dustin Rudolph and Cooper Zablocki dance around him. Richter was singing to "Hey Ya!" by OutKast. Richter's opinion of the DJ was "absurd; he interrupted nearly half of the songs that he played and he didn't play songs that were easy to dance to." Zablocki, on the other hand, liked the DJ a lot. "I like the electric dub-step, fast-paced dancing. I really like to get my groove on." Sophomore Dustin Rudolph said that the dance was a good time.

HEAD STAND - Senior Chase Jones stands on his head as he breakdances. Jones arrived at the dance with a group of seven people.

LINE DANCE - Senior Logan Hemphill, junior Hannah McLean, sophomore Corgan Petersen and senior Breanna Kixmiller line dance. The band and choir students are often leaders in this type of dance.
